SALVAPAD Fibre

ENGLISH

SALVAPAD Fibre Elbow protector *for bed sores (decubitus ulcer) prevention. It provides the patient a comfortable and stable position, relieving pressure and improving rest and quality of the patient's sleep. The siliconized hollow fiber interior offers a high-pressure dispersion capacity, making Salvapad Fibre the most convenient and cost-effective choice.*

Made of soft to the touch Cotton/Polyester fabric filled with polyester fiber. Hook and loop fasteners.
